Code Avengers

Type of Service: Code Avengers provides students with individual online learning on computer coding.
Website: https://www.codeavengers.com/
Terms of Use: https://www.codeavengers.com/terms
Privacy Policy: https://www.codeavengers.com/privacy
File Storage: Cloud based servers in the USA   **Risk: Low**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Use of forums,** if required, should only happen within a supervised classroom. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords.

	DO NOT use personal details or upload Personal photos – instead USE AVATAR IMAGES.

Code.org

Type of Service: Code.org enables students to learn through online tutorials about drag and drop programming.
Website: https://code.org/ and https://code.org/educate/applab
Terms of Use: https://code.org/tos
Privacy Policy: https://code.org/privacy
File Storage: Cloud based servers in the USA   **Risk: Medium**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet. **Users under the age of 13** will not be permitted to use these tools for outside the classroom use.	**Gmail and private email** addresses will **NOT** be used. **Use of forums,** if required, should only happen within a supervised classroom. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES.

CommonLit

Type of Service: Commonlit provides online resources to support student literacy.
Website: https://www.commonlit.org/
Terms of Use: https://www.commonlit.org/en/terms.html
Privacy Policy: https://www.commonlit.org/en/privacy.html
File Storage: Cloud based services in the USA   **Risk: Unknown**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Use of forums,** if required, should only happen within a supervised classroom. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES.

Coolmath-games

Type of Service: Coolmath-games promotes student learning through fun interactive maths games
Website: www.coolmath-games.com
Terms of Use: http://www.coolmath-games.com/terms-use
Privacy Policy: http://www.coolmath-games.com/privacyp
File Storage: **Risk: Unknown**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords.

Desmos

Type of Service: Desmos facilitates student learning in mathematics.
Website: https://www.desmos.com/
Terms of Use: https://www.desmos.com/terms
Privacy Policy: https://www.desmos.com/privacy
File Storage: Cloud based servers based in USA   **Risk: Medium**

RISK	MITIGATION
Teacher creates class account and shares a passcode for student access. Never their full name.

EBSCO Support

Type of Service: Ebsco is an online learning tool that concentrates on increasing student's vocabulary and language skills.
 Website: **http://search.ebscohost.com/**
Terms of Use: https://www.ebsco.com/terms-of-use
Privacy Policy: https://www.ebsco.com/company/privacy-policy
File Storage: Cloud based servers in the USA   **Risk: Unknown**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords.

Edmodo

Type of Service: Edmondo provides a digital classroom while aiming to share information with teachers, students and parents.
Website: https://www.edmodo.com/

Terms of Use: https://www.edmodo.com/corporate/terms-of-service
Privacy Policy: https://www.edmodo.com/corporate/privacy-policy
File Storage: Cloud based servers in the USA   **Risk: Medium**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Access restricted** to students over the age of 13 years. **Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

Formative

Type of Service: Formative enables teachers to provide students with immediate feedback on assignments.
Website: https://goformative.com/schools
Terms of Use: https://goformative.com/terms
Privacy Policy: https://goformative.com/privacy
File Storage: Cloud based servers in the USA   **Risk: Medium**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

GeoGebra

Type of Service: GeoGebra provides student resources for geometry, algebra, graphing and calculus.
Website: www.geogebra.org
Terms of Use: https://www.geogebra.org/tos
Privacy Policy: https://www.geogebra.org/privacy
File Storage: Cloud based servers in Austria   **Risk: Medium**

RISK	MITIGATION

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

Go Vocab

Type of Service: Go Vocab provides teaching resources to promote student engagement in learning vocabulary and language.
Website: https://govocab.com/
Privacy Policy: https://govocab.com/privacy
File Storage: Cloud based servers in the USA   **Risk: High**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Students are not** permitted to use the chat facility.

GrokLearning

Type of Service: GrokLearning is an online student learning tool for teaching coding.
Website: **https://groklearning.com**
Terms of Use: https://groklearning.com/policies/terms/
Privacy Policy: https://groklearning.com/policies/terms/
File Storage: Cloud based servers in Australia   **Risk: Medium**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords.

	Students Should not use the share functionality on this website (via Facebook, Google+, Twitter etc.). DO NOT use personal details or upload Personal photos – instead USE AVATAR IMAGES. Use of forums, if required, should only happen within a supervised classroom.

Good Universities Guide

Type of Service: The Good Universities Guide provides students with course comparisons from universities within Australia.

Website: https://www.gooduniversitiesguide.com.au/

Terms of Use: https://www.gooduniversitiesguide.com.au/terms-condition

Privacy Policy: https://www.gooduniversitiesguide.com.au/privacy-policy

File Storage: Cloud based servers in Australia   **Risk: Unknown**

RISK	MITIGATION
Account creation required for student access. Website activity is tracked using cookies, beacons, tags and/or scripts. Access to public forums allowing unfiltered communication over the internet. Use of forums, if required, should only happen within a supervised classroom.

Interactive biology (no login required)

Type of Service: Interactive Biology provides students with interactive online tools, thus providing students with a greater understanding of biology.
Website: http://www.interactive-biology.com
Privacy Policy: http://www.interactive-biology.com/privacy/
File Storage: Cloud based servers in the USA   **Risk: Unknown**

RISK	MITIGATION
Website activity is tracked using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

Kahoot

Type of Service: Kahoot allows students to participate and share quizzes, discussions and surveys.
Website: https://kahoot.com/
Terms of Use: https://kahoot.com/terms-and-conditions/
Privacy Policy: https://kahoot.com/privacy-policy/
File Storage: Cloud based servers in the USA   **Risk: High**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet. **This website stores information without encryption**: Information that is not encrypted is less secure, more easily hacked or compromised by inappropriate user access. **Content owned by website**: The terms and conditions outline that any content created and shared on Kahoot! will become the property of Kahoot!.	**This school blocks access** to students to the account/lesson creation site of Kahoot! Therefore, only teachers can create accounts and lessons. **Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

Khan Academy (login not required)

Type of Service: Khan Academy provides online resources for students of all ages. Resources cover topics including science and engineering, computing, art and humanities, economics and finance.
Website: http://www.interactive-biology.com
Terms of Use: https://www.khanacademy.org/about/tos
Privacy Policy: https://www.khanacademy.org/about/privacy-policy
File Storage: Cloud based servers in the USA   **Risk: Medium**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name.

Access to public forums allowing unfiltered communication over the internet.	**Do Not** allow students to use their EQ departmental passwords. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

Learning Circuits

Type of Service: Learning Circuits provides students with information about electricity and circuits.
Website: http://www.learningcircuits.co.uk/
Terms of Use: http://www.learningcircuits.co.uk/info/copyright.htm
File Storage: Cloud based servers in the UK   **Risk: Unknown**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts.	**Students should use** their departmental email addresses (….eq.edu.au) in place of their name.

ManageBac

Type of Service: ManageBac is a curriculum learning platform catering to the learning needs of teachers and students.
Website: https://www.managebac.com/
Terms of Use & Privacy Policy: https://www.managebac.com/terms/terms-of-service/
File Storage: Cloud based servers in the USA   **Risk: Unknown**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

Maths is Fun

Type of Service: Maths is fun uses games to promote student numeracy learning.
Website: URL http://www.mathsisfun.com
Privacy Policy: https://www.mathsisfun.com/Privacy.htm
File Storage: Cloud based servers in Australia   **Risk: Unknown**

RISK	MITIGATION
Website activity is tracked using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

Mathletics

Type of Service: Mathletics engages students in interactive learning by allowing them to compete internationally using a point based system.
Website: http://au.mathletics.com/
Terms of Use: http://www.3plearning.com/terms/
Privacy Policy: http://www.3plearning.com/privacy/
File Storage: Cloud based servers in Australia   **Risk: Medium**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.). **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES. **Use of forums,** if required, should only happen within a supervised classroom.

MathsOnline

Type of Service: MathsOnline is an online maths tutor for students.
Website: **https://www.mathsonline.com.au/**
Terms of Use: https://www.mathsonline.com.au/terms-conditions
Privacy Policy: https://www.mathsonline.com.au/privacy-policy
File Storage: Cloud based servers in Australia   **Risk: Medium**

RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts. **Access to public forums** allowing unfiltered communication over the internet.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **Students Should not** use the share functionality on this website (via Facebook, Google+, Twitter etc.).

DO NOT use personal details or upload Personal photos – instead USE AVATAR IMAGES.
Use of forums, if required, should only happen within a supervised classroom.

Mighty Minds

Type of Service: Mighty Minds is an online tool providing teachers with a way to administer individualised student programs.
Website: http://mightyminds.com.au/
Terms of Use: **http://mightyminds.com.au/terms-and-conditions/**
Privacy Policy: http://mightyminds.com.au/privacy-policy/

File Storage: Cloud based servers in Australia	Risk: Medium
RISK	MITIGATION
Account creation required for student access. **Website activity is tracked** using cookies, beacons, tags and/or scripts.	**Gmail and private email** addresses will **NOT** be used. **Students should use** their departmental email addresses (….eq.edu.au) in place of their name. **Do Not** allow students to use their EQ departmental passwords. **DO NOT** use personal details or upload Personal photos – instead USE AVATAR IMAGES.

Mountain Creek State School Moodle

Type of Service: Moodle is used by Mountain Creek State High school as communication and elearning tool for student's teachers and parents.
Website: **http://mtncreekshs.moodlesite.pukunui.net**
Privacy Policy: https://pukunui.com/policy-acceptable-use/
