

2026 STUDENT RESOURCE SCHEME EXTRACT

Mountain Creek State High School offers a Student Resource Scheme (SRS) for all students in Years 7 – 12. The SRS helps parents to source individual resources such as textbooks, equipment for personal use and many items used by students in the classroom. Participating in the SRS, offers a convenient way for parents to source the items that their child needs for school, and ensures that all students have access to the same standard of resources.

The SRS provides students with:

- All prescribed textbooks for each subject
- Printed reference materials which compliment and/or substitute for textbooks
- Student reference materials e.g., books, online resources, curriculum software and website subscriptions
- Audio recordings and DVD material
- Access to class sets of equipment
- Subject materials where instruction is extended through the provision of practical learning experiences e.g., cooking ingredients and art supplies
- Consumable items used in the classroom
- Hire of equipment e.g., musical instruments
- School diary

Subject fees are attached to those subjects requiring additional materials for the delivery of that subject. These materials are purchased on behalf of the subject group by the school for each student and forms part of the SRS.

Prices for the Student Resource Scheme for 2026 are listed below. Please note, a full list of inclusions is available on our website. <https://mountaincreekshs.eq.edu.au/enrolments/resource-scheme>
