

Investing for Success

**Under this agreement for 2021
Mountain Creek State High School will receive**

\$666,588*

This funding will be used to

- increase the performance of all students through developing higher order thinkers
- increase the percentage of students in the upper two bands for each year level based on either standardised testing and/or A to E data
- increase the availability of individualised support and differentiated learning across all year levels
- develop and implement strategies to improve student behaviour/engagement and well-being

Our initiatives include

- further develop teachers knowledge and understanding of effective teaching and learning strategies through the school-wide use of Marzano's Art and Science of Teaching with a particular focus on Collins Writing, Higher Order Thinking & Boys in Education
- development of a school wide moderation process to quality assure all curriculum delivery through a structured calibration and moderation process 7-12
- literacy/numeracy support through inclusive teaching and learning practices, with a specific focus on co-teaching model
- development of a school-wide approach to ICP implementation and review processes in supporting all learners
- supporting school-wide strategies to enhance student wellbeing, attendance and engagement

Our school will improve student outcomes by

- delivery of the initiatives above through the below allocation of funds:

Funding Initiative	I4S
Building teacher capacity- Pedagogical practices in further developing focus areas of Collins Writing, Higher Order Thinking, Boys in Education	\$89,843
Building teacher capacity- Quality assurance processes across delivery of all curriculum 7-12, through a 7-12 endorsement/moderation process	\$129,769
Literacy/Numeracy co-teaching support	\$179,686
Building teacher capacity- inclusive teaching practices/ICP support	\$137,525
Student support to improve wellbeing, attendance and engagement for all students	\$129,765
Total:	\$666,588
