Application to enrol in a Queensland state school

This sheet contains information on how to complete the Application for student enrolment form (SEF-1 Version 8).

Entitlement to enrolment

Under the *Education (General Provisions) Act 2006 (Qld)* a state school must enrol a prospective student if they are entitled to enrolment. While not exhaustive, the following matters may affect a prospective student's entitlement to enrol in a state school:

- if the school has a School Enrolment Management Plan or an Enrolment Eligibility Plan (enrolment is subject to eligibility under the plan)
- the applicant is a prospective mature age student (the applicant can only apply for enrolment at a mature age state school and will be subject to a satisfactory criminal history check, or as a student in a program of distance education. All prospective mature age students must have a remaining allocation of state education.)
- the prospective student is not of correct age for enrolment (relates to Preparatory Year and Years 1 to 6)
- the prospective student has been excluded, or is subject to suspension from a state school at the time of the application
- the school principal reasonably believes that the prospective student presents an unacceptable risk to the safety or wellbeing of members of the school community (application is referred to the Director-General)
- the school is a state special school and the prospective student does not meet the criteria for enrolment in a special school
- the proposed enrolment requires approval as part of a flexible arrangement under s.183 of the *Education (General Provisions) Act 2006 (Qld)*, and the arrangement has not yet been approved
- the prospective student is not an Australian resident or citizen or the child of an Australian permanent resident or citizen (visa restrictions may apply, fees may be charged, in some cases legislation requires that the prospective student must obtain approval from the Chief Executive via Education Queensland International (EQI) to enrol)
- the school does not offer the year level that the prospective student should be enrolled in
- the prospective student has no remaining semester allocation of state education. Enrolment cannot proceed until additional semesters are applied for by the prospective student (or parent on their behalf) and granted.

Prospective student

A prospective student is a person who has applied to enrol at a state school but who has not yet been accepted for enrolment.

Parent's occupation and education

All parents across Australia, no matter which school their child attends, are asked to provide information about family background (answering this question is optional). The main purpose of collecting this information is to promote an education system which is fair for all Australian students regardless of their background.

Court Orders

Any court orders concerning the prospective student's welfare, safety or parenting arrangements should be provided to the school, and the school should also be provided with any new or updated orders.

Name on enrolment form

A prospective student should be enrolled under their legal name as per their birth certificate. There is provision to also record a preferred family and/or given name. The preferred name will be used on internal school documents such as class rolls. The legal name will appear on semester reports unless there is a specific request to use the preferred name only. This request can come from parents/carers or the student (if the student is independent/mature age).

Gender

Information about gender is supplied to the Federal Government to comply with State funding agreements. The gender category with which a person identifies may not match the sex they were assigned at birth. There is no requirement for a student's gender recorded on this form to align with the sex shown on their birth certificate or passport.

Religious Instruction

Religious instruction is a program approved and provided by a religious denomination or religious society. Other instruction relates to part of a subject area that has been covered within the curriculum and may include, but is not limited to, personal research and/or assignments, revision of class work, and wider reading. Information about religious instruction available at the school, and about other instruction, is provided by the school at the time of enrolment and on the school's website.

Student Resource Scheme - Participation Agreement Form

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student’s enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

Participation

- YES I wish to participate in the Student Resource Scheme.** I have read and understand the Terms and Conditions of the scheme (see reverse) and agree to abide by them and to pay the annual participation fee in accordance with the selected payment arrangement. I understand that I can opt out of participation in the SRS in any year by completing a new Participation Agreement Form.
- NO I have read the terms and conditions and I do not wish to participate in the Student Resource Scheme.** I understand I must provide my child with all items that would otherwise be provided by the SRS as detailed in the information provided by the school. I understand that I can choose to join the SRS in future years by completing a new Participation Agreement Form.

Terms and Conditions

Definition

1. Reference to a “parent” is in accordance with the definition in the *Education (General Provisions) Act 2006* and refers equally to an independent student.

Purpose of the SRS

2. In accordance with the *Act*, the cost of providing instruction, administration and facilities for the education of students enrolled at state schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.
3. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
4. The SRS enables a parent to enter into an agreement with the school to provide the resources as advised by the school for a specified annual participation fee.

Participation in the SRS

5. Participation in the SRS is optional and parents are under no obligation to participate.
6. The school will provide parents with a list of resources supplied by the SRS to enable parents to assess the cost effectiveness of participation.
7. Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
8. Parents must complete and sign the Participation Agreement Form and return it to the school by the advertised date.
9. This agreement is for the duration of the student’s enrolment at the school, unless a new Participation Agreement Form is completed.
10. Parents are given the option annually to choose whether to participate in the SRS or not by completing this form.
11. Where a parent signs up to participate in the SRS they are agreeing to pay the annual participation fee for the items provided by the SRS.
12. Payment of the participation fee implies acceptance of the SRS including the Terms and Conditions irrespective of whether or not the signed form has been returned.
13. Where a student starts at the school during the school year, the parent may be entitled to pay a pro-rata participation fee to participate based on a 40-week school year.
14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

Non-Participation in the SRS

15. Parents who choose not to participate in the SRS are responsible for providing their student with all items that would otherwise be provided by the SRS to enable their student to engage with the curriculum.
16. The school will provide non-participating parents with a list of resources the parents are required to supply for their child.
17. All items included in the SRS must be able to be independently sourced, purchased and supplied by parents who choose not to participate in the SRS.
18. As the SRS operates for the benefit of participating parents and is funded from participation fees, SRS resources will not be issued to students whose parents choose not to participate in the SRS.

The Resources

19. SRS funds received by the school will only be expended on student resources outlined in the school’s SRS and will not be expended on other items or used to raise funds for other purposes.
20. In return for payment of the participation fee, the SRS will provide the participating student with the entire package of resources for the specified participation fee. It is not available in parts unless specifically provided for by the school in the fee structure.
21. The resources, as determined and advised by the school may be:
 - retained by the student and used at their discretion; or
 - used/consumed by the student in the classroom; or

- hired to the student for their personal use for a specified period of time.
22. All SRS resources hired to a student for their temporary use remain the property of the school. The resources must be returned by the agreed date or if the student leaves the school.
 23. Parents are responsible for ensuring that any hired SRS resources provided for their child’s temporary use are kept in good condition.
 24. The school administration office must be notified immediately of the loss or damage to any hired item.
 25. Where a hired item is lost, not returned, or damaged, parents will be responsible for payment to the school of the value of the item or its repair.
 26. The replacement cost of any resource may be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school.
 27. Parents may be responsible for supplying their child with other resources not specified in the SRS as advised by the school.

Payment Arrangements

28. Payment of the participation fee may be made in whole, as per a nominated payment plan, or for another amount as approved by a Principal.
29. Payment of the participation fee must be made as per the payment methods nominated by the school.
30. Any concessions relating to the participation fee will be at the discretion of the Principal.

Debt Management

31. Payment of the participation fee is a requirement for continued participation in the SRS.
32. Non-payment of the participation fee by designated payment date(s) may result in debt recovery action in accordance with the Department’s Debt Management Procedure, <https://ppr.qed.qld.gov.au/pp/debt-management-procedure>.

Parents’ Experiencing Financial Hardship

33. Parents experiencing financial hardship who are currently participating in or wish to participate in the SRS should contact the school to discuss options.
34. Principals may vary payment options, negotiate alternative arrangements and/or waive all or part of the participation fee for parents experiencing financial hardship.
35. The onus of proof of financial hardship is on the parent.
36. The school may require annual proof of continuing financial hardship.
37. All discussions will be held in the strictest confidence.

Additional Information

Textbook and Resource Allowance (TRA)

- The Queensland Government provides financial assistance to parents of students in Years 7 to 12, to offset the costs of textbooks and other resources. Assistance is provided in the form of a TRA which is paid through the school. Refer to the department’s website for current TRA rates <https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>.
- The TRA is used to offset the fees associated with participation in the SRS.
